**TUMMIES IS 30!!!!**

*"It seems only yesterday that the doors to Tummies opened for the first time on Monday 29th February 1988. As you can imagine quite a lot has happened since then. From its original very small premises Tummies has grown considerably to the size it is now. This, of course, would not have been possible without all of our customers amazing and on-going support over these long years, so THANK YOU all for that. We hope to continue serving you for many years to come!"*
