

serious about food

Welcome to Tummies. Since opening our doors for the first time on 29th February 1988 our aim has remained the same: to serve unpretentious but great quality food with friendly service in a casual environment. As always, all of our dishes continue to be cooked "to order" using the best quality and freshest available ingredients. This is the reason it might take a little longer for you to be served during busy periods, but we trust that you will find the wait worthwhile. We will always try our very best to ensure that you have a pleasurable experience, but should there be anything we can do to make it even more enjoyable, please let us know. We thank you very much for your continued support and look forward to serving you for years to come. **Claude Mariaux, Chef-Patron**
